REQUEST FOR LETTERS PATENT

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

On March 6, 2006, the offices of the undersigned received an Issue Notification in the above-captioned application indicating that the application would reissue as RE 39,025 on March 21, 2006. Having noted that we did not receive the official ribbon copy of the Reissue Certificate, the offices of the undersigned accessed PAIR and discovered a copy of a cancelled envelope which was correctly addressed to the offices of the undersigned, with a notation of the undersigned's name and telephone number. While there is no record of a telephone call being received, it appears from this cancelled envelope (copy attached) that the Reissue Certificate was inadvertently returned to the U.S. Patent and Trademark Office.

Applicants respectfully request that it be resent so that it may be forwarded to the patentee.
